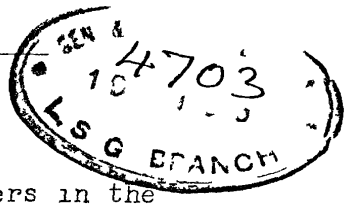
Sir



Tenders for laying sub-main and street sewers in the Eastern portion of Malleswaram

---

I have the honour to forward herewith thirteen tenders received from the marginally noted contractors for the above work, together with a comparative statement of amounts as per tendered rates. ~~The estimate received~~ for this work is included in the sanctioned comprehensive scheme The tender of Messrs M Narasimhiah & Bros for Rs 2,71,776/- is the lowest

The tenders were considered by the Board at the meeting on the 5th instant when it was decided that the acceptance of the lowest tender be recommended to Government A copy of the Board's resolutions is appended

I request you kindly to obtain and communicate the approval of Government early for accepting of the lowest tender as recommended by the Board so that the work may be started immediately

Sir

Tenders for laying sub-main and street sewers in the eastern portion of Malleswaram

---

With reference to your letter No 7176 dated the 22nd January 1946, enquiring when the estimate was prepared (with reasons for the wide disparity between the estimate and the tender, I have the honour to state that the estimate was prepared in the year 1939-40 before the effect of the war was felt on prices and rates The estimated cost is for Rs 1,73,321, while the lowest tender received is for Rs 2,71,771/- The difference between the sanctioned estimate and the lowest tender is Rs 98,450/- The reason for the excess is mainly due to increase in the cost of materials, and labour due to war conditions For instance, the cost of 7" pipe was originally Rs 1-11-0 per pipe of 2 ft length while the present rate approved by the Stores Purchase Committee is Rs 4-2-0 This one item alone accounts for an excess of Rs 82,186/- for 67,426 running feet

The tenders received with your letter under reference are herewith returned

I have the honour to be,
Sir,
Your most obedient servant,
